Did You Know?

Avoiding sexting and building healthy relationships. When teens start dating, they often feel pressure to keep up with their peers and to explore new romantic feelings. But these feelings, combined with teenage hormones and decision-making capabilities, can lead to some poor choices, including sexting. Sending nude images is dangerous and puts the sender and the receiver at risk. Photos can be shared instantly on cell phones and social media, and once out there, the images never go away. Talk to your teen about the consequences of sexting and the importance of building healthy relationships where partners respect boundaries and don't ask for explicit images. ¿Sabías Que?...

Evitar el sexteo y construir relaciones saludables. Cuando los adolescentes comienzan a tener citas, a menudo se sienten presionados a mantenerse al día con sus compañeros y a explorar nuevos sentimientos románticos. Pero estos sentimientos, combinados con las hormonas adolescentes y la capacidad de tomar decisiones, pueden llevar a algunas malas decisiones, incluido el sexteo. Enviar imágenes de desnudos es peligroso y pone en riesgo al remitente y al destinatario. Las fotos se pueden compartir instantáneamente en teléfonos celulares y en redes sociales, y una vez allí, las imágenes nunca desaparecen. Platique con su hijo adolescente sobre las consecuencias de sextear y la importancia de construir relaciones saludables en las que sus parejas respeten los límites y no pidan imágenes explícitas. Dear Parishioners...

In the past year and beyond, we saw firsthand how important the Eucharist is to the life of the Church. While a few of our parishioners may have welcomed the dispensation of the Sunday obligation to attend Mass, many certainly felt deprived of so great a gift, even to the point of expressing disappointment and dismay.

At the same time, our parish found opportunities to create experiences and ways beyond the usual to receive Eucharist and something to eat.

- Our Parking lot did not stop being a food distribution site
- Parishioners continued distributing help to the homeless and added a lunch program.
- Our priests' talents were tapped to put on live-stream Masses.
- Teachers found new ways of conducting class from home, along with looking after their own little ones!
- Our homes became churches and schools, hopefully strengthening the idea that faith is lived and celebrated everywhere, not just in certain places.

But there are Others we also discovered that not everyone can respond in like manner.

- Several parishes had no capacity to live-stream Masses.
- Some communities are made up of many who continued to have to leave home for essential tasks that needed to be carried out, many living in multi-generation homes that facilitate viral infection.
- A few parishes have older communities that rely on parishioners who were at higher risk.
- Several parishes and schools in our Archdiocese were truly affected.
- As a community we kept our Church and Office (open).

As we give thanks for the gift of being able to celebrate and receive the Most Holy Body and Blood of Christ, let us not forget those who, lacking the necessities in human life can only aspire to this necessity of the divine life. Lest we limit ourselves to some liturgical action of raising the Precious Blood of the Lord, might we consider raising up the lowly among us and on their behalf call upon the name of Lord.

'Forward with Faith'

The Together in Mission 2021 "Forward with Faith" Annual Appeal is today! Lets continue to pray and reflect on how we can continue to help our struggling parishes and schools in the Archdiocese of Los Angeles.

One in EVERY 5 parishes needs financial assistance and 1 in every 4 Catholic schools needs critical funds to keep their doors open.

This year's cumulative Together in Mission goal is \$15.35M throughout all five regions, so please visit your Together in Mission poster in our church vestibule for our parish's Together in Mission goal. Together, let's make a difference for those in need especially after this most challenging year."

Avancemos con Fe

¡El llamamiento anual de la campaña de Unidos en Misión "Avancemos con Fe" es hoy! Continuemos orando y reflexionando sobre cómo podemos seguir ayudando a nuestras parroquias y escuelas en dificultades aquí en nuestra Arquidiócesis de Los Ángeles.

Una de cada 5 parroquias necesita asistencia financiera y 1 de cada 4 escuelas católicas necesita fondos críticos para mantener sus puertas abiertas.

La meta de este año es de \$15.35 millones entre las cinco regiones. Juntos, hagamos una diferencia para los más necesitados de nuestra Arquidiócesis, especialmente después de este año tan desafiante.
