# What is the Parish Mission?

Before explaining synthetically what the Parish Mission, consists of, it is necessary to make a small clarification: We are not talking about the classic missions, nor about the great missionaries of yesteryear that our elders speak of; nor of the single missionary action of the Church in the World. After so many years we do have to continue talking about MISSION, because it is still necessary in our parish and because what it intends, to announce the Gospel again, has not changed and is still new, valid and necessary in our Church. What has changed is the way the mission is carried out.

The Church has always been missionary, and it must continue to be so. The social and religious reality of the families of the 21st century requires a great and imaginative effort when it comes to carrying out a “New Evangelization”, especially among the younger generations.

The Parish Mission is a strong time of extraordinary evangelization during which the community, helped by the missionaries, evangelizes itself, enthusing and strengthening the Christian experience of that community, promoting in it the birth of catechetical groups for young people and adults; helping to establish ways of approaching those who are far away; thus promoting the pastoral project of the community itself.

## Mission Talks

We are happy to announce that Fr. Jim Clarke, from the Office of New Evangelization of the Archdiocese of Los Angeles will be visiting our parish to give Mission talks in preparation for Advent. On November 28th, he will be officiating the 11am and 1pm masses, these masses will be slightly longer as he will give introduction to his mission talks. The mission talks will take place in December.

## Parish Office Safety Protocols

We thank each of you for your patience as we continue to learn and take every measure to keep everyone safe while visiting St. Bernard's. We have created many ways to provide all office services via email, calls, texting and online. Anyone not able to use these services and have critical issues that require additional assistance can call to make an appointment. We will receive visitors by appointment only on Wednesdays and Thursdays 10am-4pm. Please come prepared to follow safety protocols: wear face masks correctly covering nose and mouth, keep 6 ft social distance, reschedule if you have symptoms. Thank you for allowing us to take care of you and our staff.

# ¿Qué es la Misión Parroquial?

Antes de explicar sintéticamente en qué consiste la Misión Parroquial, es necesario hacer una pequeña aclaración: ¡No hablamos de las misiones clásicas! de los grandes misioneros de antaño de las que hablan nuestros mayores; ni de la sola acción misionera de la Iglesia en el Mundo.

Después de tantos años sí que tenemos que seguir hablando de MISIÓN, porque sigue siendo necesaria en nuestra parroquia y porque lo que pretende, anunciar de nuevo el Evangelio, no ha cambiado y sigue siendo nuevo, válido y necesario en nuestra Iglesia. Lo que sí ha cambiado es el modo de llevar a cabo la misión. La Iglesia siempre ha sido misionera, y tiene que seguir siéndolo.

La realidad social y religiosa de las familias del siglo XXI exige un esfuerzo grande e imaginativo a la hora de llevar adelante una “Nueva Evangelización”, especialmente, entre las generaciones más jóvenes. La Misión Parroquial es un tiempo fuerte de evangelización extraordinaria durante el cual la comunidad, ayudada por los misioneros, se auto evangeliza entusiasmado y fortaleciendo la experiencia cristiana de esa comunidad, promoviendo en ella el nacimiento de grupos de catequesis de jóvenes y adultos; ayudando a establecer caminos de acercamiento a los alejados; potenciando así el proyecto pastoral de la propia comunidad.

## Misión Parroquial

Nos complace anunciar que el Padre Jim Clarke vendrá a impartir la Misión Parroquial. Antes de la Misión, vendrá el 28 de noviembre a presidirnos la misa de 1:00 p.m. y animarnos a vivir estos días de gracia. La misión parroquial se llevara a cabo en diciembre.
